Re: Application for SIU Permit - Endorsements

Dear Ms. Agabiti:

Please find enclosed form WQM-003, containing endorsements from the Borough of Lodi and the Bureau of Water Quality Planning, which constitutes the remainder of our application for an NJDPES/SIU permit. An approval letter from the Passaic Valley Sewerage Commissioners was included in the original application.

Please note that the Water Quality Planning agency will no longer sign Section B of form WQM-003, but instead provides a letter of consistency, which is enclosed.

If you have any questions regarding this application, please do not hesitate to contact me.

Sincerely yours,

A. William Nosil
Corporate Environmental Engineering Manager
